Impulse® 2.5mm Hot Dipped Galvanized Fence Batten Staples

Features

- **Divergent Point**
  - Staple legs spread as they are driven into timber battens for superior holding power
  - Minimize water tracking
  - No barb leading to exposed bright steel

- **2.5mm Wire Diameter**
  - Designed in New Zealand for rural batten and wire fences

- **30 and 35mm Staple Lengths**
  - Superior holding power for all timber types

- **High Carbon Content Steel**
  - Superior driving reliability

- **Hot Dipped Galvanized (Class 3 Wire)**
  - Extreme durability for long life

- **Resin Tipped**
  - Easy to drive with resin adhesive for increased holding power

- **Fuel Cell**
  - Each 2,100 contractor pack of staples includes three yellow fuel cells
  - Each 1,800 farm pack of staples includes two yellow fuel cells

- **Made in New Zealand**
  - Suitable for the harsh New Zealand environment
